Hello Minister Abbott,

I have been asked permission by attendees to your meeting in Parksville at MLA Ron Cantelon's office, to show you charts I prepared showing enrolment numbers.

I have offered Mr. Cantelon and the attendees to be available to answer any questions you might have about the changing enrolment.

I would like to mention that I also have the role of Programming Chair for Elder College and am committed to life long learning.

The public consultation process provides an opportunity for students of all ages, including life long learners, to understand the issues important to planning public education.

Sincerely,

Warren Munroe
