Regarding: 32160 BCPSA BCGEU _Warren Munroe, BC Human Rights Tribunal Case
Number 4376.

Dear Minister,

Thank you very much for having Nancy E. Brown Acting Assistant Deputy Attorney General
send me a letter dated May 23, 2012. Thank you for confirming, the Minister of Labour and
Citizens' Services and Open Government of the right and responsibility of the Minister to
evaluate

"...the manner in which the legislation (Labour Code) is functioning and to
identify problems that may have arisen under its provisions" and to "make
recommendations on any specific matter" (BC Labour Code, Section 3 (1), (a)
and (c)) including allowing arbitration to proceed."

...as per your Ministry's' statement

"This is a matter that falls within the responsibilities of the Minister of
Labour, Citizens' Services and Open Government, the Honourable Margaret
MacDiarmid. I note that you have copied Ms. MacDiarmid on your email in her
capacity as a Member of the Legislative Assembly."

However, regarding the statement in the letter

"I note your concerns regarding your dismissal from BC Stats. It appears
that this matter has been dealt with under the collective agreement between
the Government of British Columbia and the British Columbia Government and
Service Employees' Union. "

Please be aware that while "it appears" that this matter was dealt with, I have **evidence that
proves this matter has not been dealt with.**

Regarding the statement

"It is not within the mandate of the Minister of Justice and Attorney General
to become involved in such disputes."

Please be aware, cases where BC Government Employees are denied protection under the law
because they describe discrimination on grounds covered by the BC Human Rights Code and
the Canadian Charter of Rights **are within the mandate of the Minister of Justice and
Attorney General.** For more information, please see www.wminfomatics.com

I continue to request arbitration, a fair hearing, or public inquiry, to proceed thereby allowing the griever to face accusers, as well as allowing disclosure of the real methods used by BC Stats to create numbers and allow a neutral board / person to decide whether “just cause” was applicable.

Sincerely,

William Warren Munroe
