Regarding: integrity, request for arbitration and relief: removal of “just cause” and “insubordination” from employment record.

Dear Ministers,

1. Again, thank you for authorizing Mr. Cocco to investigate the quality of work by BC Statistics.
2. Could you please provide a copy of the investigation.
3. Could you also confirm that in order to safeguard the integrity of BC Statistics,
  - a) correct methods must accompany numbers
  - b) citations must accompany quotes, even those used to assert the integrity of BC Statistics
4. Together we share a commitment to the improving the quality of the public service.

Yours truly,

William Warren Munroe
