Hello Jennifer,

I understand that you must be very busy.

Any word regarding my questions about the "program area"?

Recall my previous email sent Friday, December 4, 2009 8:47 am, and the email sent Monday, December 21, 2009 5:44 am for which I have yet to receive replies.

Just one other thing, my original request was for all records pertaining to my employment and dismissal and denial of arbitration. I filled in a survey conducted by BC Stats where I admitted to having European and Aboriginal ancestry. Could you tell me how to get copies of the Employment Equity forms I was told to fill in?

Thank you very much for all your help,

William Warren Munroe
