Subject: request for arbitration to proceed into the real matters in dispute

Honorable Ministers,

As mentioned in my previous message, I would like to thank you for your continued interest in working towards creating positive work environments, where employees can contribute creative, innovative results oriented solutions, and be recognized in a positive way rather than in a negative way, no matter what their ancestry or place of origin or for reasons unrelated to their ability to do the job.

Also, as mentioned in my letter dated September 30, 2009, sent to you by email on October 1, 2009, please see the letter sent to the LRB and the BC Human Rights Tribunal, for a summary of the facts accompanying my request that an independent, neutral arbitrator be allowed to hear the real the matters in dispute (attached).

Also, could you please be so kind as to acknowledge the receipt of my letter dated September 30, 2009, sent by email on October 1, 2009 as well as this email?

As you can appreciate, I look forward to finding a constructive resolution to this case. To this end, I request a fair hearing before a neutral independent board, into the real matters in dispute, as soon as possible.

Thank you

William Warren Munroe
