Honorable Ministers,

Could you please forward the results of the research into my case as soon as possible.

I was dismissed from BC Stats of the Ministry of Labour and Citizens' Services on February 15, 2006 from my position as a Population Analyst while my grievance was before the Deputy Minister.

As you are aware I was put through an advisarial process where my grievance regarding discrimination was not allowed to proceed and instead I was dismissed.

Thank you,

William Warren Munroe
